J. How we intend to use and repay the funds

We have been relying on our internal fund since business started. This fund is essential to support our business expansion and operating expenses. We shall utilize this fund mainly to upgrade our online learning system and continue to promote our business via online and offline. In addition, we shall produce more online and offline materials to provide to our customers. We are very committed in the business and with our expansion plan, we aim to be able to educate and inspire more entrepreneurs in Malaysia to grow and succeed in business development.
