J. How we intend to use and repay the funds

The purpose of raising funds is to meet working capital requirements and operating expenses. For your reference, the fund sought is to stock up more stock to accommodate the demands of customer. The raw material supplier requires in cash term. However, customer paid once stock delivered and some client asked us to provide a credit term of 7 days. Therefore, the sought of funds is to make up for cash flow gap between customers and suppliers. Other than that, the funding will used for operating expenses such as rent, wages, transportations and utility bill. With the fund sought, we confidents the sales and profit will increase accordingly. It can use for instalment payments. We commit on time repayments.
