Remarks:

Our business model involves purchasing clothes in bundles consisting of various designs and selling them individually. For example, we purchase approximately 2,000 pieces at RM5,000 and retail them at RM6–9 per piece.

Our shop is located in an industrial area, which attracts low-cost residents and foreign workers seeking affordable basic clothing.

This business model enables us to achieve higher profit margins through bulk purchasing and retail sales strategies.

H. Experience of our Key Management Team

The owner has more than 10years experience in this industry. Before setting up this company, she is working in this industry.
