## BACKGROUND OF BUSINESS

### A. Who are we

We are a grocery store.

### B. What do we do

The business offers a wide range of daily household necessities, groceries, and fresh food products to serve the surrounding community. Products sold include eggs, rice, canned food, sugar, salt, onions, cooking oil, cooking gas, bread, dried vermicelli and noodles, detergent, toiletries, pet food, snacks, biscuits, instant noodles, coconut and shredded coconut, canned milk, coffee, milo, tea powder, flavoring ingredients, as well as fresh vegetables, and seafood such as fish, prawns and squid.

### C. When did we start our business operations

The business was established in 2011, and has been serving the local community for more than a decade.

### D. Where we are operating our business in

The grocery store is strategically located along the main road with high traffic. We primarily serve customers from the surrounding residential areas, benefitting from recurring purchases of daily essential goods and household necessities.

### E. How much have we invested into the business to-date

To date, we have invested more than Rm150K in the company.

### F. No. of Outlets/Branches we have now (if any)

Nil

Year	Turnover	Total Expenses	Profit / (Losses)
2025 (Form B 2025)	RM464,958	RM370,532	RM94,426
2026 up to date ^	RM240K	RM 218K	RM22K

### H. Experience of our Key Management Team

The owner brings over 15 years of experience in the grocery retail industry, and remains actively in the day-to-day operations of the business.

### I. Staffing – Staff Strength

Owner -1

Staff - 2

**J. How we intend to use and repay the funds**

We are applying this funding to support the working capital requirement, which includes the inventory purchases, and day-to-day operating expenses, to ensure sufficient stock availability and smooth business operations. We also plan to further expand our product range to include selected over-the-counter healthcare products such as pain relief medications and cold and flu remedies, to better serve the needs of the local community.
