J. How we intend to use and repay the funds

The fund we are applying from Fundaztic will be used as a working capital to support our business expansion. The funding will be used to upgrade some of the kitchen equipment, to purchase machinery for grilling ikan bakar and equipment for sambal preparation. This will improve efficiency, ensure consistency in food quality, and increase production capacity,

enabling the business to serve more customers and support future growth. Part of the funds will be used for daily kitchen operation

We believe that by consistently offering honest services, we will be able to develop long-term relationships with our clients. We assure you that our main focus will be the quality of our service and make sure that customers get the best service from us. Hence, we are confident to serve our monthly instalment promptly and fully settle on time.
