BACKGROUND OF BUSINESS

A. Who are we

We are a transportation services provider.

B. What do we do

The company primarily serves regular customers with the transportation and delivery of general goods and industrial materials such as cement. In addition, we also provide engineering-related services to factories, catering to the operational needs of industrial customers. The revenue contribution from transportation and engineering-related services is approximately 60:40. The company currently operates with two trucks. Both trucks are utilized to support the company's transportation activities.

C. When did we start our business operations

The business was registered and started since 2020.

D. Where we are operating our business in

The home office is located in Beranang, Selangor.

E. How much have we invested into the business to-date

To date, we have invested more than RM200K in the business.

F. No. of Outlets/Branches we have now (if any)

Nil

G. Our Financial Summary

Year	Turnover	Total Expenses	Profit / (Losses)
2025 (Borang B)	RM 211,982	RM 185,760	RM 26,222
2026 (up to July'26)	RM242K	RM218K	RM24K

Remarks: The improvement in 2026 was mainly driven by an increase in the number of transportation and engineering-related jobs secured, resulting in higher business volume and revenue generation.

H. Experience of our Key Management Team

The owner brings over six years of hands-on experience in the transportation and related services industry, with practical knowledge in managing transportation operations, day-to-day business activities.

I. Staffing – Staff Strength

Owner -1

Staff -3

J. How we intend to use and repay the funds

We are applying this funds to support working capital requirements and day-to-day operating expenses, including fuel, vehicle maintenance, and other transportation and engineering-related expenses. We have also obtained an Offer Letter from APPD recently, approving the application for an additional truck. The approval is an important prerequisite in the normal process of acquiring a new truck. This purchase is intended to support the company's existing transportation operations.

K. Other supporting information about our company
