BACKGROUND OF BUSINESS

A. Who are we

We are a logistic company.

B. What do we do

We mainly provide road logistics services to various industries, assisting our clients in delivering goods to their customers or outlets. Our services cover all states in Malaysia. We have 3 trucks in total. To provide efficient and timely services to our clients, we work with other logistics companies in different areas and subcontract jobs to them to ensure that deliveries are completed on time.

C. When did we start our business operations

We started in Jan 2023.

D. Where we are operating our business in

We have rented a shop in Jb, Johor for our business operation.

E. How much have we invested into the business to-date

We have invested more than RM 800k into the business to date.

J. How we intend to use and repay the funds

The funds will be used for operational costs. Generally, the credit term we provide to our clients is approximately two months, which is almost the same as the credit terms offered by our business partners, such as other logistics companies. However, some operating expenses, such as wages, diesel, maintenance, and other related costs, need to be paid in cash.

We are confident in our ability to make the monthly instalments promptly and fully settle the debt on time.
