BACKGROUND OF BUSINESS

A. Who are we

We are a kitchen and household products retailer.

B. What do we do

The company is engaged in the retail sale of a wide range of household and kitchen products, including kitchen utensils, cookware, food storage containers, kitchen organizers, cleaning products, household storage items, and other everyday household essentials. We cater to the everyday needs of local consumers. The business has established for 12 years and has established a long-standing presence in the retail market. In addition to the physical retail outlet, the company also sells its products through Shopee, allowing the business to reach a wider customer base beyond the local walk-in customers and generate additional sales through online channels.

C. When did we start our business operations

The business was registered and commence operations since 2014.

D. Where we are operating our business in

The business operates in Segamat, Johor.

E. How much have we invested into the business to-date

To date, we have invested more than RM500K in the business.

F. No. of Outlets/Branches we have now (if any)

Nil
