J. How we intend to use and repay the funds

The fund we are applying from Fundaztic will be used to enhance working capital to support our business expansion. The funding is required to purchase additional fresh chicken stock to support increasing customer demand and ensure sufficient stock availability for both retail and wholesale orders. Part of the funds will also be used to upgrade packing equipment to improve the efficiency, speed and hygiene of the packing process. In addition, the funding will provide working capital to support daily operating expenses, delivery costs and other business-related expenses, allowing the business to maintain smooth operations and fulfil customer orders on time.

We believe that by consistently offering honest services, we will be able to develop long- term relationships with our clients. We assure you that our main focus will be the quality of our service and make sure that customers get the best service from us. Hence, we are confident to serve our monthly instalment promptly and fully settle on time.
