BACKGROUND OF BUSINESS

A. Who are we

We are a Chinese restaurant.

B. What do we do

We serve a variety of seafood and cooked dishes. The restaurant provides both dine-in and takeaway services and operates from lunch through dinner and supper. We have established a stable customer base within the surrounding community. Customers include residents from nearby housing area, employees from surrounding offices, as well as students and staff from an university, which is within walking distance of the restaurant. We also attract customers from outside the immediate area. We maintain an online presence through food delivery platform such as Foodpanda and Google Map, where we have received numerous customer reviews.

C. When did we start our business operations

The business commenced operations in 2016.

D. Where we are operating our business in

The restaurant is located in Sg Long Selangor.

E. How much have we invested into the business to-date

To date, we have invested more than RM200K in the business.
