BACKGROUND OF BUSINESS

A. Who are we

We are a professional design and renovation consultancy dedicated to helping homeowners transform their ideas into practical, functional, and beautiful living spaces. We provide personalized solutions by combining creative design, professional consultation, budget planning, and project management.

B. What do we do

We provide comprehensive design and renovation services, including 2D and 3D drawings, space planning, renovation consultation, and Design & Build solutions. We help clients visualize their ideas, plan and control their renovation budget, coordinate subcontractor teams, and manage the entire project from initial concept to completion.

C. When did we start our business operations

We registered our business in March 2024 and operate until today.

D. Where we are operating our business in

Our office located at Desa Petaling, Kuala Lumpur. We are operating from a retail premise on the 1st floor because it is cheaper but, we have a large window to display our company signboard.

This unit also sharing with my husband company, which is doing construction, he just places his files at the side corner, most of this job will be outfield & at client side, no pay rental.

E. How much have we invested into the business to-date

We have invested more than RM500,000 in our business already.

F. No. of Outlets/Branches we have now (if any)

Nil.

G. Our Financial Summary

Year	Turnover	Total Expenses	Profit / (Losses)

2026 up to date	738,509.32	714,128.71	24,380.61

Remark:

There are depreciation expenses RM 3,725.12 and Director remuneration of RM88,032.60 payout for 2025 financial year.

H. Experience of our Key Management Team

Director has over 7 years of experience in the related industry. Throughout the years, the Director has gained extensive knowledge and practical experience in business operations, industry practices, client management, and market development. With a strong understanding of the industry and proven hands-on experience, the Director is well-equipped to lead the company and drive its continued growth and development.

I. Staffing – Staff Strength

CEO – 1 (myself)

Account – 1

Designer – 3

Admin - 1

J. How we intend to use and repay the funds

The funds will be primarily used to support the company's business operations, including working capital, business expansion, operational expenses, and the purchase of necessary materials or equipment. The funding will help improve the company's cash flow and support its continued growth.

The repayment of the funds will be made through the company's monthly business revenue and operating cash flow. With our industry experience and the company's ongoing business activities, we are confident to generate sufficient income to meet its repayment obligations.
