BACKGROUND OF BUSINESS

A. Who are we

We are a logistics company specialising in the transportation of construction materials.

B. What do we do

We provide logistics and transportation services, primarily focusing on the transportation of construction materials. Currently, we operate 2 units of trucks for our daily business operations, which are used to transport goods according to our customers' requirements.

We maintain good relationships with our existing customers by providing reliable transportation services and quality work. Our commitment to customer service has also helped us receive referrals from existing customers, allowing us to develop new business opportunities.

C. When did we start our business operations

We commenced our business operations in September 2024.

D. Where we are operating our business in

Our business operates from our own house used as an office in Bentong, Pahang.

E. How much have we invested into the business to-date

To date, we have invested around RM70,000 into the business.
