Fundaztic prioritizes the direct representation of the issuer's vision and as such, we do not undertake editorial modifications (e.g., correcting spelling, grammar, or typographical errors).

BACKGROUND OF BUSINESS

A. Who are we

We are an electrical engineering service provider.

B. What do we do

The company specializes in providing electrical engineering services for renovation projects and direct customers across residential, commercial, and industrial sectors. Our scope includes electrical installation, wiring, maintenance, troubleshooting, and other related electrical works according to customers' requirements.

C. When did we start our business operations

We started the business in 2009.

D. Where we are operating our business in

We operate the office from home, and maintain a separate store to keep tools, equipment, and other essential materials required for daily operations and project execution. Both are located in Jitra, Kedah.

E. How much have we invested into the business to-date

To date, we have invested more than RM50K in the business.

F. No. of Outlets/Branches we have now (if any)

Nil

G. Our Financial Summary

Year	Turnover	Total Expenses	Profit / (Losses)
2025 (Borang B)	RM 232,855	RM 181,874	RM 50,981
2026 (up to Sept'26)	RM225K	RM189K	RM36K

**Remark- The relatively high profit earned in year 2025 was mainly due to the home-based office setup, which helps to minimize fixed overheads. In addition, the owner's 17 years experience also contributed to the efficient project management and execution.*

H. Experience of our Key Management Team

The owner brings over 17 years of industry experience.

I. Staffing – Staff Strength

Owner -1

Staff -2

J. How we intend to use and repay the funds

We are applying this funding to support our working capital requirements and operating expenses, including the purchase of electrical materials, tools and equipment, labour costs, and other project related expenses. This funding will help to ensure sufficient cash flow to support ongoing projects.

K. Other supporting information about our company

Platform Remarks

Due to the temporary unavailability of CCRIS access specifically for our platform services provider, our automated credit scoring model has unfortunately been impacted. Consequently, we cannot provide the regular Risk Grade and projected Bad Rate. Until this specific access issue is resolved, our team of experienced credit managers will manually assess and approve all funding requests. All Notes approved under this temporary manual process will be assigned an X1 risk grade.
