Platform Remarks

Due to the temporary unavailability of CCRIS access specifically for our platform services provider, our automated credit scoring model has unfortunately been impacted. Consequently, we cannot provide the regular Risk Grade and projected Bad Rate. Until this specific access issue is resolved, our team of experienced credit managers will manually assess and approve all funding requests. All Notes approved under this temporary manual process will be assigned an X1 risk grade.

This is a 2nd funding request by an existing issuer who had successfully raised RM20,000 under Note No. 4982 at our platform. The issuer has fully settled the said note on 13/05/2026.
