Remark/Clarification – (if any)

1. Noted not all of our sales revenue is deposited into the bank as we use a portion of this daily cash income directly to pay daily operating expenses, such as diesel, tolls, and driver wages.

H. Experience of our Key Management Team

Our business has been operating since 2023. Our management team oversees daily operations, coordinates transportation services, manages customer relationships and monitors business performance. We strive to maintain efficient operations, control costs and achieve sustainable business growth

I. Staffing – Staff Strength

Director-1, Staffs-5, Driver-6.

J. How we intend to use and repay the funds

We intend to use the requested credit facility to support our daily transportation operations, including diesel purchases, toll charges, drivers' wages, vehicle maintenance and other operating expenses.

The credit facility will help us maintain sufficient working capital and ensure smooth business operations. We intend to repay the facility using revenue generated from our transportation services and payments collected from customers, in accordance with the agreed credit terms.

Platform Remarks

Due to the temporary unavailability of CCRIS access specifically for our platform services provider, our automated credit scoring model has unfortunately been impacted. Consequently, we cannot provide the regular Risk Grade and projected Bad Rate. Until this specific access issue is resolved, our team of experienced credit managers will manually assess and approve all funding requests. All Notes approved under this temporary manual process will be assigned an X1 risk grade.
