REMARK : The business plans presented on this platform are submitted by the respective issuers and reflect their original content. Fundaztic prioritizes the direct representation of the issuer's vision and as such, we do not undertake editorial modifications (e.g., correcting spelling, grammar, or typographical errors).

BACKGROUND OF BUSINESS

A. Who are we
We are a quarry engineering contractor.

B. What do we do
The company is principally involved in quarry engineering works, with a core focus on supplying wear and tear components essential to quarry operations. We specializes in the trading of key machinery parts such as conveyor belts, crusher components, drilling tools, and other related equipment. Beyond trading, the company also provides comprehensive service and maintenance work, making us a one-stop solution provider for the quarry industry. This integrated business model allows the company to support clients throughout the lifecycle of quarry machinery, from parts supply to ongoing maintenance.

C. When did we start our business operations
This is a family business established in year 1972, founded by the father and currently managed by the son.

D. Where we are operating our business in
Our business is operated at Semenyih, Selangor.

E. How much have we invested into the business to-date
To date, we have invested more than RM600K in the business.

F. No. of Outlets/Branches we have now (if any)
Nil

G. Our Financial Summary

Year	**Turnover**	**Total Expenses**	**Profit / (Losses)**
2025 ^	RM 1,200,000	RM 1,080,000	RM 120,000
2026 (up to date Oct'26)	RM 880K	RM 800K	RM 80K

H. Experience of our Key Management Team
The current owner has accumulated over 30 years of experience in the quarry and engineering industry, contributing deep technical expertise and strong industry knowledge. We have built long-standing relationships with both customers and suppliers, supported by the extensive network and reputation in the industry. This has enabled the business to maintain a stable customer base and secure recurring orders.

I. Staffing – Staff Strength
Owner -1

Staff -2

J. How we intend to use and repay the funds

We have fully settled the previous financing in Fundaztic with prompt repayment record. The second funding is currently under repayment. We are now applying this third funding to support working capital requirements and operating expenses for ongoing and upcoming jobs. This is to ensure smooth operations and the ability to meet increasing demand.

K. Other supporting information about our company

Platform Remarks

This is a 3rd funding request by an existing issuer who had successfully raised RM150,000 under Note No. 5284 and 8132 at our platform. The issuer has fully settled Note No.5284 on 13/03/2026. Repayment of Note No. 8132 has been prompt & regular for the last 7 months and the principal outstanding sum prior to the hosting of this note is RM70,833.
